Healthcare Consulting Services

Utilizing Lean Six Sigma methodologies and evidence-based research, PCS offers Senior Living and Hospitals turn-key consultative solutions and services. We deliver on-time, every time.

Staffing and Training Services

PCS provides staffing and customized training services to Senior Living Communities and hospitals including CPR, BLS, CPI, AED, Patient Transport, Valet, CDL and Non-CDL Shuttle Drivers and many more

Transportation Services

Having trouble finding patient or staff parking on your campus, PCS offers door to door shuttle transportation services to meet the needs of staff and residents.

Support Services

PCS offer a wide range of Support Services staff including PBX operators, ambassadors, concierge, food service, and environmental services and many more to meet the needs of our clients.

Managerial Services

After a 4-week intense Leadership training and continuous hands-on scenario-based courses, our management personnel are equipped with the tools to deliver high quality excellence to an organization.

Service-Line Solutions

Service-line solutions are provided to bridge gaps within departments of the organization with specific cross-training and resource sharing. PCS service-line solutions are designed to reduce cost while increasing efficiencies.

About our CEO

Dr. Edward Daniel holds a Ph.D. and MBA in Business and Healthcare Administration. He has dedicated 30+ years to the Healthcare Industry providing leadership, staffing, and project management to over 100 businesses within the United States.
